Sunrise® Series

V4500

Double-Slider

SUNRISE COLLECTION™

Providing world-class performance and convenience, the Sunrise® Series V4500 vinyl double-slider is perfect for your next renovation project. Boasting a vertical meeting rail that enables unique perspectives to the outside, this double-slider will bring aesthetic value to your home without sacrificing energy efficiency. And cleaning is made easy thanks to the V4500's two operable panels.

What you can expect

ENERGY PERFORMANCE

Featuring the latest in energy performance, the V4500 can make the interior of your home more comfortable while helping you save on your energy bills.

- A warm-edge spacer system comes standard in the V4500 double-slider
- Options like HP Low-E glass coatings and argon gas between the panes can help improve energy performance

CONVENIENCE AND STYLE

- Exceptional detail gives the V4500 the appearance of a traditional wood window
- Polyurethane window frame provides added comfort
- Obscure-glass options are available for privacy and aesthetics
- Lift-out sashes make for easy maintenance
- Dual brass rollers featuring a stainless steel axle enable a worry-free performance
- Narrow profiles enhance viewing space

Engineered to perform

- Welded, multi-chamber frame and sash
- Available frame styles: nail fin, finless
- Optional OptiView™ Clarity mesh screen allows fresh air in while providing particle protection
- Product has passed rigorous testing for water penetration, air leakage, structural integrity, and forced entry
